

COLLINSFORD HOLDINGS LTD.

CORPORATE PROFILE • 2026

Connecting Opportunities. Building Africa's Future.

Who We Are

Collinsford Holdings Ltd. is a growing African-focused business group with an ambition to connect people, businesses, resources and opportunities.

We believe Africa's potential requires practical execution: strong businesses, reliable connections, thoughtful strategy and innovative solutions.

VISION We aim to contribute to an Africa where businesses can grow, opportunities can move and useful solutions can reach the people and markets that need them.	MISSION To build trusted businesses that create opportunity, solve real problems and contribute to Africa's economic transformation through innovation, integrity and long-term value.
--	--

Our Values

Integrity • Innovation • Partnership • Purpose • Long-term thinking

Our Core Business Sectors

LOGISTICS Solutions and coordination for moving goods, connecting markets and supporting local and international business activity.	PRIVATE EQUITY & INVESTMENT Exploring opportunities, strategic partnerships and long-term value creation through disciplined business thinking and due diligence.
BUSINESS CONSULTING Practical support for businesses seeking clearer direction, opportunity assessment, business development and strategic solutions.	MANAGEMENT Management-oriented support focused on organization, operations, decision-making, coordination and execution.
PLANNING & STRATEGY Structured planning for business ideas, growth goals, projects, market entry and long-term development.	STRATEGIC PARTNERSHIPS Conversations and collaboration with businesses, entrepreneurs and organizations interested in building mutually valuable opportunities.

Building Practical African Solutions

AFRI LIFELINE

A Collinsford initiative focused on exploring practical solutions across agriculture, health, logistics and artificial intelligence.

AGRICULTURE

Exploring agricultural opportunities, market connections and practical ideas that can support sustainable food systems and enterprise.

LOGISTICS

Exploring ways to improve movement, access and connections between goods, businesses and markets.

HEALTH

Exploring research and technology-driven approaches that may contribute to better access to useful health information and solutions.

AI

Exploring AI-powered tools and assistants that can improve productivity, access to information and business operations.

Founder & CEO

Agugu Sopuru Collins

Founder & CEO, Collinsford Holdings Group Ltd. | RICHIE FX GROUP

Agugu Sopuru Collins is an entrepreneur and founder of Collinsford Holdings Group Ltd. and RICHIE FX GROUP. He is committed to building businesses in financial services, logistics, travel, technology and business development. He completed the HarvardX (via edX) verified course 'Entrepreneurship in Emerging Economies' and is focused on creating sustainable businesses that contribute to Africa's economic growth.

Leadership Philosophy

Lead with integrity. Learn continuously. Build systems that outlast individuals. Earn trust through consistent execution.

From Opportunity to Execution

01	IDENTIFY	Understand the problem, opportunity or market need.
02	STRATEGIZE	Develop a clear direction, business case or execution plan.
03	PARTNER	Connect the right people, businesses, resources and expertise.
04	EXECUTE	Turn plans into coordinated actions and measurable progress.
05	BUILD	Focus on sustainable relationships, systems and long-term value.

The Long-Term View

Africa's opportunity is not defined only by its challenges. It is also defined by its people, markets, resources, creativity and capacity for innovation.

Collinsford's long-term ambition is to contribute to an environment where businesses can connect more effectively, ideas can move from concept to execution, and practical solutions can reach the communities and markets that need them.

We believe meaningful progress is built through disciplined businesses, responsible partnerships, innovation and persistent execution.
